Subject –: Leave application for attending Flutter Workshop

Respected Sir,

I am writing this application to inform you that I was absent from classes today, 28 Feb 2024, as I was attending an event at the Maharaja Agrasen Institute of Technology, Delhi. The event focused on UI/UX design, an area directly relevant to our field of study in BTech CSE.

Attending this Flutter workshop was a valuable opportunity for me to gain insights into the latest trends and practices in UI/UX design, which I believe will greatly benefit my academic and professional development. As such, I made sure to actively participate in various workshops, discussions, and networking sessions throughout the day.

I apologize for any inconvenience my absence may have caused, and I assure you that I will catch up on any missed coursework promptly. I am more than willing to provide any additional information or documentation regarding my attendance at the Flutter Workshop, if necessary.

Thank you for your understanding and consideration of my request.

Sincerely,  
Chaman Prakash Bhardwaj
