Subject –: Application to Attending Tech Event at IGDTUW

On behalf of the **Google Developer Student Clubs (GDSC) Lead** at Echelon Institute of Technology, I am writing to express our strong interest in securing slots for our students to attend the today's tech event at Indira Gandhi Delhi Technical University for Women (IGDTUW) on February 12th, 2024. The event features **Mr. Nishant Chahar,** a **Microsoft Software Engineer** and **Founder of AlgoPrep**, as the speaker, and aligns perfectly with the goals and aspirations of our student community.

The event's focus on shaping career paths in the tech industry aligns perfectly with my academic and professional aspirations. Attending this event will provide me with valuable knowledge and perspectives that can benefit my future endeavors, opportunity to interact with fellow students and tech enthusiasts from IGDTUW, potentially expanding my network and fostering valuable connections.

We respectfully request your kind approval to mark attending students' absence as excused for the duration of the event. Allowing this would demonstrate Echelon Institute of Technology's commitment to supporting its students' professional development and growth aspirations.
